

**REMARKS**

The present amendment should put the application into condition for allowance. Claims 1, 7, and 8 are amended.

Claim 1 was not rejected but was objected to, and is now amended to overcome the objection. Claim 1 is now allowable.

Claim 7 was objected for depending from a rejected claim, and is now canceled and its subject matter combined into rejected independent claim 4, so that claim 4 is now allowable.

Claim 8 is amended to depend from claim 4 instead of claim 8.

All rejections are moot, and all claims are allowable or canceled. Allowance is requested.

Respectfully submitted,

Nick Bromer (Reg. No. 33,478)
